Education

- **Indian Institute of Information Technology Nagpur, Maharashtra**
Bachelor of Technology in Computer Science 2022–2026

Experience

Flutter Developer Intern | Digital Guru Pvt. Ltd. May 2025 - Present

- Constructed fluid and intuitive cross-platform applications with **Flutter**, resulting in **60%** reduction in user-reported performance issues, with compatible with **Android and iOS devices**.
- Collaborated with back-end teams to improve transaction workflows within the **PolarPay payment system**.
- Optimized application performance, reducing load time by **30%** through efficient state management and API call handling.

Projects

CoCreate | Next.js | Typescript | Liveblocks | Auth0 | [Link](#) Aug 2025

- Engineered a **collaborative design platform** supporting **real-time multi-user editing** for up to **10+ concurrent users** with synchronized cursors, chat, comments, and emoji reactions.
- Implemented canvas-based drawing tools (shapes, free-hand drawing, image uploads) using **Fabric.js**, increasing user interaction.
- Integrated **Liveblocks** to achieve sub-200ms latency in state synchronization, ensuring seamless collaboration without conflicts.
- Optimized platform to handle **10+ remote brainstorming sessions and interviews weekly**, enhancing productivity for distributed teams.
- Built with **Next.js 14**, leveraging server rendering and scalability features to reduce load time by 25%.

TwiddleUI | React.js | Node.js | Tailwindcss | [Link](#) July 2025

- Developed an interactive web platform with **25+ reusable UI components**, reducing UI development time by 40%.
- Implemented **live preview** and one-click JSX code export, boosting developer productivity and cutting prototyping time by 30%.
- Applied **Tailwind CSS** for rapid, responsive styling, ensuring a consistent design system across all components.
- Delivered a developer-friendly interface leading to seamless integration in **10+ real-world projects**.
- Optimized **Node.js** backend to serve component metadata, manage presets, and enable **dynamic content rendering** for 100+ active users.

SupremeCoding | React.js | Node.js | Auth0 | MongoDB | [Link](#) June 2025

- Designed a **Full-stack DSA practice platform** with **React.js** frontend and **Node.js/Express.js** backend.
- Used **Auth0 with Google/GitHub** sign-in, enabling secure authentication and seamless onboarding for **100+ users**.
- Programmed a **custom compiler** and **automated test case evaluation system**, enabling real-time code execution and validation with accuracy **95%**.
- Created scalable **RESTful APIs** for submission, testing, and solution verification, reducing response time by 30%.
- Crafted with **Tailwind CSS**, ensuring 100% usability across devices.

ThoughtFlow | Flutter | Dart | Node.js | Supabase | [Link](#) March 2025

- Built **Thought Flow**, a **full-stack blogging app** enabling users to share and update their thoughts with the world.
- Developed with **Flutter** frontend and **Node.js/Express.js** backend for seamless cross-platform performance.
- Integrated **Supabase** for authentication and database management, ensuring secure user login and signup.
- Enabled post creation and editing, supporting **100+ blog posts** with real-time updates.
- Delivered cross-platform compatibility, making the app fully functional on both **Android and iOS**.

Achievements

- Achieved the highest LeetCode rating of **1537**, ranked among the **Top 34.73%** globally.
- Rated **Pupil** on Codeforces.
- **3-Star** proficiency in **C++** on HackerRank.
- Solved **300+ problems** across various coding platforms.

Technical Skills

Languages: C/C++, Java, Dart, Html,CSS, JavaScript, Typescript , SQL , Python

Frameworks: Flutter, Flask , Django, Node.js, React.js, Next.js , Tailwindcss

Developer Tools: Git/GitHub, MySQL, Android Studio, MongoDB Atlas, Firebase, VS Code, Postman, Supabase

Libraries: pandas, NumPy, Matplotlib, Seaborn, Scikit-learn, Express.js

Concepts: OOPs, Operating Systems, DBMS, Compiler Design

Certifications

The Complete 2024 Web Development Bootcamp by Dr. Angela Yu (Udemy)
